“ *Tracy was one of the brightest lights to be found on horse show night. Always a smile and a laugh for everyone around her and always had a way of making you feel like you were the one person she'd been waiting to talk to all night. She was encouraging to others when they needed it and was always looking for ways to be better herself. She was a kind, generous person who looked for the good in everyone she met. She will be sorely missed.*
