“ We did not know your son Trent, but we've had difficult times like you're going through right now. My wife and I lost two sons in years past and we cherish their memories. One was 21 when he was killed in a wreck while on a motorcycle and the other was 20 when he was killed in an electrical accident. You may not think so in the next few weeks, but as time passes you will be able to think more on the good times that you had together and less about loosing your son. It is always good to hear people remember and name the one you've lost. Trent will not be forgotten by friends and I hope they'll have the courage to talk of him with you. May God comfort you.
