“ I haven't seen Dennie since the early 1980's but I will always have fond memories of him. He once took me to see Blood Sweat and Tears at ASU in Jonesboro. I am praying for peace for his family.

“ Dennie was so helpful and was a great friend. When my Dad passed away and I was working in Missouri he went out of his way and checked on Mom. He would go see her every week and do chores around the place and make sure she didn't need anything. I will always be thankful for his friendship.
