“ Trudy's Family;; Just a word of kindness to say that Trudy was a pillar of our group and for the community. She was a little quieter than some of us but when she spoke she seemed to have the floor, I feel like she has a beautiful audience already.. Thoughts and prayers for all of you. Johnny Hodges

I grew up with Trudy and have known her for well over 40 year To this day she was one of the most level headed, even keeled and sweetest person I have ever had the privilege to know. You will be sorely missed my friend by myself and many others. My heart, prayers and blessings go out to entire family
