“ So sorry to hear of Jo's passing. She was so good to our family and my Mom's Best friend for so many years. She was Godmother to my Son David many years during his toddler years. I often thought of her through the years and just recently. May she rest in peace and be comfort in Gods presence.

“ My prayers are with all you family, James. Though I didn't know your Mother you spoke so fondly of her and she looks like such a sweet soul. I just know that she was. God is with all of you through this time of missing her and celebration of her life.
