

## Mr. Vaughan Baugh

November 16, 1941 - July 25, 2018

Vaughan Baugh, 76, of Searcy passed away Wednesday, July 25, 2018. He was born in 1941 on the Baugh family farm north of Searcy to Luchen Augustus Baugh and Ina Vaughan Baugh. He was a Searcy resident for most all of his life and a member of the Searcy First United Methodist Church.

Vaughan began his career as a car salesman in the 1960s and later the service manager for Truman Baker Chevrolet. Throughout the 1980s his work with Independent Testing Labs took him to numerous states between both coasts and even foreign countries. He started a manufacturing business, Pioneer Antennas, in Cabot in the late 1980s, and in the early 1990s he formed a trucking company, Baugh Express, which he grew to a fleet of over 20 units. After retirement from the trucking business he returned to his love for cars, working with Thomas-Vaughan Motor Company and Vaughan's Select Auto Sales.

Vaughan is survived by his wife Shirley Betts Baugh, his sons Monty Baugh and Justin Baugh (Jennifer), three grandsons, Brody, Brooks, and Lucian, brother Roland Baugh (Betty), sister Peggy Baugh Brown (Tom), and numerous nieces and nephews.

Visitation will be at Saturday, July 28, 2018, 2:00 p.m. at Powell Funeral Home in Searcy with the memorial service following at 3:00 p.m.

“ I am so sorry to hear of “Uncle” Vaughan’s passing. He was actually my mom, Linda Gentry Durke’s cousin, but to my brother and I he was basically one of our uncles. We spent our summers with the Baugh’s, Vaughan’s, and Gentry’s in Searcy. Unfortunately we’ve had a lot of loss in our family in the last few years, but our memories of Vaughan and all of our family members will keep them alive in our hearts until we see them again. My thoughts and prayers are with you Aunt Shirley, Monty, and Justin. God bless, Taylor

“ I hired this guy to build a decorative rock wall to help him out making his truck payments to Vaughan. Two-thirds done he gets in trouble with the law and here I am finishing the wall on my own. I need rocks, so Vaughan offers rocks from his property. I assess the situation as he guides me to backing up. We're going to load these manually. As I get out of the truck, here we are putting on our gloves, I say to him, "Now we need to be on the look out for snakes." "Naw" he says there aren't any snakes around here. I'm thinking, "Old man your crazy, I'm watching for snakes!" Gingerly I pick up the first rock. Nicely curled up beneath it is about a three foot copper head! I step back and say to him, "Now can we watch for snakes?", as we watch it slither into the brush. We had a good laugh. I barely got home that day my lil truck was so loaded down. I'm sure going to miss Vaughan
