“ Vesta would tell it like it was and not worry about the consequences. She wanted answers and progress. I know she had my back and believe me she had Martha's. I wish I could have met all of you because I know the love of this family is contagious. Know she will be in my memories forever. I love you Vesta and I know you are home safe without pain or sorrow. Buddy is sitting in her lap right now.

“ I'm so glad that I had a couple of opportunities to visit with Ms. Vesta in the past few years after not having seen her for a long, long time. I know that she is held dear in the memories of all who were students in Judsonia Elementary School and in special relationships such as the one shared between our families. Prayers for peace and comfort at this difficult time.
