“ *What a wonderful person! I will miss her so very much. While I didn't know her long, it didn't take long for Aunt Ginny to let you know her. She was so special to my wife Betty. I always told Virginia that what I admired about her the most was the terrific influence she had on Betty. Jean and Nick, and all your family, please know that I desire to continue to know Virginia through my relationship with y'all. Nick and Arlene, I cannot wait til you visit us and also look forward to sitting in the swing having a memorial to Virginia.*
