“ To: Linda and Janice and family, I was so sorry to hear about your Mother. She was a nice lady and worked so hard in the Church at Ingram. She was a joy to be around. We lost our Mother 3 yrs. ago and I feel the pain you are going through. We know they are in a better place. Our thoughts and prayers are with you.

“ *My condolences to the family of Virginia Adams.*

*My mother and Virginia kind of grew up together. I remember seeing her and her husband, Lacey, and two daughters, Linda and Janice, at various places, primarily at Aunt Eva's house, when my mother, Marguerite Firesheets Trump, and father, Carl, would go to Ingram to visit with Aunt Eva and Uncle Leroy. My grandmother, Bessie Alderson Firesheets, and Aunt Eva were sisters. My mother, Marguerite, used to talk about their childhood, Grandma Mary and Grandpa Buck Alderson, and various relatives in Halifax County. Now she is in Farmville in Holly Manor, 94 years old (born July 14, 1914), and most of her memories gone, and for the most part, disabled (she can still feed herself, is aware of herself and lack of memory which distresses her greatly). The next time I see her, I will ask if she remembers any of her Halifax relatives, and call them by name, to see if I can stir any long-term memory banks.*

*Meanwhile, know that I send my sympathy and empathy for you and your families at this time.*

*Jane*
