“ I am so sorry to hear about Virginia. To all of her family, of which I am a member, I wish peace and comfort. So, so many memories. I happen to go down the street to her house when she and Woodrow were making divinity. I stood and chatted while I watched them. I have her recipe and it never fails. They did the neatest thing: when spooning the candy out, they had cleaned off the top of the counter and used it. No mess. I do this to this day. Loved her dearly. The Whiteners and Guthries were pretty tight !!!

“ I have so many wonderful memories of Virginia Rhew. We went to church together for years. When she couldn't drive anymore I would pick her up for church and loved the stories and conversations that we had each time. My favorite memory is our church caroling and we always caroled at Virginia's house. She would always have something sweet for us to eat. She loved the visits and we did too. Heaven is gaining a sweet angel.
