“ *She was a sweet lady with tons of energy and a great sense of humor. Although distance prevented us from spending much time together, I thought of her often and will always remember her fondly.*

“ *There could not be anything more sad than losing a love one in death... What a helpless feeling... Thankfully we have a wonderful bible hope that very soon we will see them again... The only true God makes this sure promise at John 5:28,29 "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out..."*
