“ Dear Greg, Janie, Mark,

We will miss your daddy so much. He brightened my daddy's last years so much when he would drive down to Malvern and meet or take Daddy to Andy's for lunch and a good long talk! He and Aunt Nancy came down several times after Daddy died and visited with Momma and one of those times took me to Andy's for the time-honored lunch and visit! It was great and we had a really good talk. He loved y'all and his brothers and sisters. Family was at the center of his life--along with his faith in the Lord.

We Ellises have been very fortunate to have had such good parents and to have had them for so many years. I know this is a challenging time for you with your Mom. I hope these next years bring a sense of peace and joy in the midst of thie difficult situation for your Mom and for all of you.

We love you,

Walter Ellis

“ *I was so sorry to hear the loss of Mr. Ellis. I have fond memories growing up next door and riding to school with Janie. We lost our dad in June and I take each day with a prayer, knowing he is with my mom and no more suffering. Thinking of you all, God Bless, Julie*

“ Dear Janie, Greg and Mark,
Our hearts go out to you three. Very little is harder than what you are going through.
I have nothing but fond memories and good experiences. He gave us life and a kind and gentle perspective. I am exceedingly grateful Jacqueline could meet him and Janie and Mark, and we could spend time together.
With our love,
Steve
