“ *Sitting here at home in these difficult times I find myself reflecting on my past. I happened to google Col. Geisinger and discovered he had passed in 2014. I am so very sorry to read that and wanted to let you know as you have heard I am sure from many, what a kind individual he was. I was very young, 19 years of age, a secretary, working at Tempo 8 for the Air Force, and for Col. Simon Manning, on Wisconsin Avenue and McComb Street. His office was just down the hall from mine and I can still see him sitting at his desk. We worked in the Housing Division, Please know that he will always be remembered.*

*Sincerely,
