“ *My prayers go out to your family. I do believe we are distant relation. My mother & dad were Ruby Irene Wilcox Gordon and my dad was Lewis Gordon. When I read the listing of family members, I can remember my parents mentioning those names when I was a child. Love to all your family, and my God Wrap his loving around all of you!*

“ My dad was George Caperton and he was Adell's uncle. I met her about 10 years ago when I came to Bald Knob with Aunt Dorothy and Uncle Buddy Caperton. She was such a sweet lady and I wanted to get to know her better but there wasn't enough time. We had a cherry limeade together at Sonic Drive In. I am so sorry for your family's loss and I know she is with Jesus and we will all see her soon. Marcia in California

“ My heart skipped a beat when I saw how much she resembles her grandmother Caperton. Almost exactly to my memory. Still too young to go.
very sad. I wish her family the very best life has to offer. Love
