“ SUE was a dear and precious christian lady and friend. We have been friends since 5th grade at Providence school. She was a very sweet and caring person way back then. She was genuine to the bone and I loved her very much.

She loved her family, every letter I received, which was many, she always mentioned Christian, and how very proud of him she was and how he was doing so good in school.. Christian, you brought much joy to her and made her living so much better. I hope you will always remember the things she taught you about JESUS. She is with him now with no more pain or hurting.

I am so sorry she isn't here in body anymore, but she will be waiting for all of you in our wonderful Home in Heaven. I wish I could help the hurt. I will be praying that you will find comfort in knowing where she is and how very much she loved all of you.

“ I am so sorry for you and your families loss. My heart breaks for you all and you are in my prayers. She was a wonderful woman that I admired very much. We are all blessed to have known her. May y'all find comfort in God and that she is now walking the gardens of heaven with our Lord. I love y'all.

“ Breaks my heart. Ms. Wanda had the most beautiful, loving soul of anyone I have ever met. When she would come in to my job, myself and co workers always fought over who had her. But we always had to have our hugs, kiss on the cheek, and her telling us she loved us. And "God bless you darlin" . She will truly be missed.❤️
