“ Wanda Faye was my Papa's great niece. His sister Pearl's granddaughter. I knew her all my life. I remember Ma and I used to go see her when they lived in town, a long time ago. I pray for her sons and daughter. And for her husband. All good people and an asset to all who know them. My son said tonight that he thought I looked like her in this picture. Well, I consider that an honor. God Bless.

“ *To the Pearce Family; MS. Wanda Faye truly was a lady of her time. She always had a smile and called you by name when she saw you. Was always a pleasure to talk with her and Mr. Quentin seems as though they remembered a lot more of my family than i did. Your family will be using precious memories to fill the void.
