“ Terry and Julie, I was so sorry to read about Wesley's death. He was a fine young man. I remember when he went to Liberty Academy and I was teaching art Wesley would always make me laugh. He was the class clown. Because of Wesley we carried laughter in our hearts. As you go through this time of grief, try to keep close to your heart that Wesley is with God and in the end we will all be with our loved ones again. You and your family are in my prayers and thoughts.

“ Terry & Julie, I just wanted to tell you how sorry I was to hear that you had lost Wes. I can't begin to imagine the pain you are experiencing. Stan and I were out of town last week when we heard. Dad didn't have an address for you, but I wanted to let you know that you and the rest of your family are in my prayers.
