“*Dear Jennifer and Family,*

I am so saddened to hear about your dad's death. He was my friend since high school, and we stayed in touch until a couple of years ago.

I hope you remember only the good and wonderful things your father did for you as he loved you so much. He was always so giving and thoughtful of others.

May you be sustained by your memories of him. I will look forward to hearing about the memorial service this summer and plan to attend.

*Sincerest condolences,
Patsy*

“ West was a kind and giving person who showed great compassion to my mother while she was alive.

We saw each other rarely, but communicated through Christmas cards, and he will be truly missed by me.

My deepest sympathy to Jennifer and all his family and loved ones.

“ The last time I talked to West, he was hunting down a woodpecker who was pestering him at the house. I hope the birds in Heaven are more well behaved. Rest well, my friend. I shall miss you.

“ I've known West for a good many years; he is family and a friend. He was the Wooding-Carter family historian and knew everything family and Halifax County and a lot more. We could always talk a good story together. He loved his family, and the old Carter Farm. He was always such a 'fixture' at the farm; generous, helpful to a fault and just a real good guy. Although he wouldn't admit it, he loved his ornery cat, too. West was cut from a very unique cloth, and I'm so sorry about his untimely passing and he will be missed. A favorite topic of his was his dislike of cold weather and we laughed a lot about that. West, go gently my friend. I know you are having a great time with all the ancestors.

“ West was my friend and I will dearly miss him. His daily emails and surprise bags of pecans delivered for no reason, will be absent from my life. He was a true friend with a big heart and I will never forget him. My sympathy to his daughter and grandchildren. He loved you very much...

“ West...so many years, so many wonderful memories. It is to much to comprehend at this moment that when I go to Mom's house, you won't be walking up the field or we will be walking down to see you. Your friendship, kindness, knowledge, and your big heart will never be forgotton. We will miss you so very much. Thank you for always being there for me, my family, and most of all , the fun times we had since my 55 years of knowing you.
We love you and miss you. Robbie Jean, Lorraine, & John
