“ I hadn't seen Billy more than a dozen times since we played football together in high school. But I don't ever remember seeing him when he didn't have a big smile on his face. Every time I ever saw him, he would always ask me, Do you remember that year we beat Augusta in double overtime? That Augusta team won the state championship the very next year. as he smiled and it always made me smile. We'd laugh as we visited. And even though I hadn't seen him in more than 10 years, now that he's gone, I realize now that I'll miss him forever.
