“ *Cousin, School mate, friend. William you will be missed. I remember you running through your mom's kitchen yelling at the pet monkey when we were kids. We are all grown and have kids and grandkids of our own. But someday there will be a great family reunion in heaven. I look forward to seeing you there.*
I pray that God will ease your pain both Parents, brothers, sisters, spouse and children. May God's grace wrap you and keep William close in your heart with joy.

God Bless.

“ *Dear Family,*
My prayers are with you during this difficult time. We never know what will happen and when, we just need to be prepared and ready, as your loved one was. Only God can give you the comfort you need - keeping looking to Him and trusting. I will be lifting Buddy up in prayer daily until he recovers. No words can take away your pain, but know I care.
Love to you all,
Evelyn Bruce
