“ *Mary,  
Extremely sad to think of Uncle Nolan and all the wonderful times  
our family had with your family in Halifax. Wish we could be with you  
on this difficult day. Beth Car goes back a long way with our family  
as Mom (Janie Guill Vaughan) and Dad were married in the Church.  
Our family is sending a contribution in memory of Uncle Nolan.

“ *So sorry to hear about Uncle Nolan. Hope that his passing was  
quiet and peaceful. Although we cannot be with you for his funeral,  
our thoughts and prayers will be.*
