Billy was definitely one of a kind. My heart hurts for you and the girls but I know you will see him again one day. I'm glad he had the opportunity to see his children marry and know they will be taken care of along with his grandkids. I know there are no words I can say that will make any of you feel any better but know I am praying for you, praying that God will give you the strength to endure the upcoming days. I love you guys!
