“ Well we always discussed going fishing, and now I imagine you're catching the best their can possibly be. I grew to love you and your family as your CNA over the past two years. My days won't be the same.

“ I remember the first time Connie brought Homer to meet us, I thought , "He is the nicest, most friendliest person I'd ever met. He and Connie were "two peas in a pod" and you rarely saw one without the other. Living out of state, I haven't seen Homer in years, but today my heart is so very heavy for Lisa and Amy and their families. I know they are finding comfort in knowing he is reunited with Connie where there is no more pain or sorrow, He will be missed dearly by all who knew him.
Lisa and Amy, May the Lord wrap you in his comforting arms, so very tightly, to day and all the hard days to come.
You are all in my thoughts and prayers.
I love ya'll
