“*Sorry to hear of your dads, my uncle my dads brothers passing. I wasnt told of this until a month later from an outsider well God has him now and he is in peace and no more suffering. I will miss my uncle and I had many years of enjoyment when dad and I visited him at the store.*

“*Catherine and Family,*

We are sorry about your brother's passing. Thoughts and Prayers are with all of you. May God bring peace and comfort during this sad time.
