“ *To the Family;
I have known BJ about ever since he came to Bald Knob and about every project he has been involved in. When he got on the Fire Department i was one of the older guys that tried to hold some of the younger ones back till they matured some. I can truthfully say BJ gave a 100% to the Fire Dept, Ambulance Service and Sarah. No regrets in having known BJ LUCHECK. Johnny Hodges*

“ *To the Lucheck Family:*

Please accept our sincere and deep sympathy for your loss. We were so very saddened to hear of Bill's death. We remember him as a thoughtful and very kind young man who always asked about our sons and their families. He and Jon knew one another through their mutual involvement with the fire department and ambulance service. You will all remain in our prayers.

BJ was a very good friend and he will be dearly missed. He and I had a lot of good times together. I reminder the old blue cougar stock car we built and raced at Drasco. We never won but we had good times and great memories.
