“ Granddaddy,

*Words of course can never explain how your passing has affected us all. I will remember all the fun times we had and all the long walks we took together, side by side. I will cherish these memories and tell the "little ones" all about you and what a privilege it was that they at least got to meet you and spend time with you...even if they are too small to remember it. We have a very tough road ahead of us without you. Don't you worry about Granny...we will take very good care of her. She misses you too, but I know for sure that you already know that. I can feel you there with her still. I only hope that I get to have as wonderful of a life as you did. I want to "accomplish something" everyday of my life, just as you did. You will NEVER be forgotten and will live on in our memories and hearts. I LOVE AND MISS YOU SO MUCH. Until we meet again...*

“ Just heard about Mr. Poteat and am so sorry for the family. Was there on Friday and we had a good chat. He has been my barber for many, many years and will truly be missed by all of his loyal customers and friends. Our prayers are with you.

“ I regret not having learned of Bill's passing in time to attend his going home observance. We are all going to miss him greatly.
