“ I am so sorry for your loss. I can not say that I understand what you are feeling. I have not stood in your shoes, with the loss of a child. I do know, that God understands and He knows how you feel. He can give you help, all you need to do is ask Him. Call me if you need me. 501-729-1920.

“ *William,
I can't tell you how much you will be missed by so many people. You were so good to me and my kids. There are so many things I should have told you but I never dreamed in one of my worst nightmares that you would not be here to talk to , to call when I needed anything at anytime day or night. I will always think of you and I promise I will do what ever I have to do to help Jo. You were her true love and I know that she was yours. I will see you on the other side, I am glad that you went to church with me...*

I love you
