“ Alecia and Family, Marie Davis is my Mom. I will always think fondly of the times I drove in Mother's driveway when he was outside. He would always wave, and say HI! Kathy!! Sometimes we would have a little chat and he could always make me laugh. I will always remember the way he "took care" of Mother. She loved him dearly and I think the sentiment was returned. He was truly "one of the good guys" and he will be missed by our whole family. Your family will be in my prayers. God Bless you All!
