“ I am so sorry to hear of Will's passing. I taught him last year and he would always smile that great smile and say "hey miss" (the same thing everyday). He knew so much and always had something interesting to say; he was such a joy.

“ I have many fond memories of Will. When he first moved to Searcy I was the very first person who became his friend. I was very lucky to know him and I will miss him dearly. He was fun to be around and had an amazing laugh. I believe he has a place in heaven and I will continue to pray for Will and Dean and all of their family. Rest in peace Will you are loved and missed.

“ He was my bestfriend he always had my back and i had his i miss you so much you were like a brother to me i cant help but cry

ray escobar - February 10, 2016 at 02:16 PM

TR

“ I met you when I came to see your father. I grew up next door to your father and Aunt Dee. Alan took you, Dean, and myself to see *The Dark Knight Rises*. It was my birthday. Alan grilled and I was able to meet you and reconnect with Patsy and Dee. I can't believe you are gone. Rest in Peace William Ricks.

“ My top memory with Will is the first time we hung out. Dakota Ronnika Will and i went walking around.. Dakota and Will started animating any animal, bug, or person they saw. They were making fun of everything they saw it was the absolute perfect day. I love you Will so much i Miss you more than anything.

“ I remember like it was yesterday I had transferred schools and didn't really know anyone, and I was kind of an outcast, but out of no where an amazing funny guy came along and befriended me. will would always find a way to make me laugh and smile, helped me through a lot. He will never be forgotten but he will be greatly missed.

“ Man Will I can't begin to describe how I feel. Man you were such a great friend I remember our long heated debates we had on the bus together and the first time we hung out we had some good times man, keep the good times rolling bro your in a better place man. You will be missed dearly. R.I.P. 10/6/14
