“ Willie, you were my best friend. I love and miss you so much!! My heart still hurts for you. You kept our family going, you were so strong. I didn't know you were in pain...I'm sorry I didn't see it. I still feel like this is my fault. There is not a day that goes by that I don't wish you were still here so you could see your children grow up. They are growing so beautifully. Your son is a spitten image of you. I pray that God took you into his arms and gave you peace. Willie I love you.

“ Willie is and will always be missed. Everytime I see a photo of him I always get teary eyed. It was a blast around willie, working on cars , drinking, it was never a dull moment around him. Memeries last a lifetime, and Willie will always be in our hearts and minds.
