“ *Rocco, Jim, Angle,
My heart goes out to all of you kids.
I remember being about 9 or 10 and my dad sending me to Nelsons
Hardware to pick something up for him..I always liked going to
Nelsons to pick stuff up for Dad because there was a very nice man
that always gave me candy when i went in to the store.. And this
man was you Dad..Later in life when i was about 18 i remember
sitting on your Moms porch and your Dad walked up and he asked
me my name, Vince could not believe your dad new me.. Just great
memories of your dad..*

“ *Denise, Bill and I just can't believe that Woody has passed on! We
are so sad about that and know you and your family must be so
devastated. You are one of the sweetest people I know and we
loved Woody. He always had something to say to make us chuckle.
You and your family will be in our thoughts and prayers that God will
bring you strength and peace. We are so sorry for your loss.*

“ *We are so sorry to lose Uncle Woode, but feel so blessed with the many memories we have with him. Uncle Woode always put a smile on our faces with his stories and jokes. Steve says the best Spring Break of his life was visiting Arkansas with his buddies and his dear Uncle Woode. They camped, hunted, fished, and shared stories; wish we could do that all over again. We love you Uncle Woode, and although you are no longer with us, we will cherish the memories created. Love, Steve, Jenny, and Emma*

“ *No matter whether it was truth or fiction, there was no better story teller ever than my brother-in-law ... affectionately known to me as Foode Willips. You will be dearly missed Foode, but I am grateful that you are no longer enduring the bitter health challenges you faced. You fought hard for a long time. Now be free as God wraps you in his arms and welcomes you home. With love and admiration ... until we meet again. Care Bear.*
