“ *Xavier is my friend since we were around 11-12 years old; his grandparents lived next door to my home growing up, and he was one of my close friends coming up as a young'n. We have shared many memories of which I will forever hold fondly. Rest in Love Xavier. Gone, never ever forgotten.*

“ I met Xavier in 2012 while he was dating my sister. I thought he was a handsome young man, but more importantly, I found he had a kind, generous heart. He was always respectful. I considered him family from then on. I will miss Xae terribly. I will keep his memory alive for Xavier Jr. Nancy and Tiara are two of the strongest women I have met. I am so sorry for your loss.

“ Nancy, my heart aches for you. You know I know exactly what you are going through. My faith is the only way I can survive this. Your faith will see you through the dark times ahead. Thank you for being such a good friend to my Rhonda. She and your Xavier can now share mom stories!
