“ To Carol Fuller and Family. Carol you are a treasured friend to myself and to so many others. I did not know your Mom but I know how much you loved her, dearly. I LOVED hearing your beautiful stories about her throughout the years, the laughs, the funnies and even through the sad times. You are a hero and your Mother was fortunate to have you as a daughter, and I'm sure you feel the same way by having her as your Mom. My prayers to all of you. I wish you peace, comfort and cherished memories will help you through this difficult time. I love you with all my heart sweet friend.

“ *Sending up prayer for comfort for the family and friends during this time. As surely as we know that God welcomed his angel home, we know that earth has lost an angel. We never met Miss Yvonne in person, but we have heard such amazing stories from Carol over the years.....that we feel like we knew her. God bless this family, and take care of Miss Yvonne until her family joins her in your house for a beautiful reunion.*

“ *Aunt Sis was always one of my favorite Aunts. I used to love going to her farm and spending the night with my cousins and how much fun we had! She was an excellent cook and you never went hungry. She as always so kind and didn't have a mean bone in her body. I only have fond memories of her and know that she is a peace now. Diane, Carol & Fay, I know this is hard on you all as her daughters. I wish you peace and future happiness. Love to all of you! Rita Hackney Scott*
