“ Zach, you were one of the sweetest people I knew. When we first met, I loved your energy. I told you you were an angel and now you have actually gained your Angel wings.

I want to thank you for being that friend that was helpful and thoughtful of others. I hope you knew how many lives you touched in great ways with just your presence alone.

Rest in peace, my friend. You will be greatly missed.

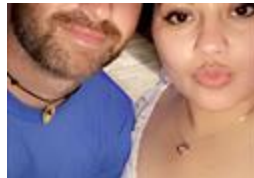

To the family, I send my deepest condolences. May peace be with you always.
