“ *Zach, so much to say with no more time left to say it. This is not right, taken from us far too early. I'm so lonely now Zach, but I know I have got that little boy that practically like the Bible says, "made in your image" and my Momma and everyone. I love you so much Zach and I miss you so much already. You rest my brother, we will see each other again, check in on us all from time to time, but just know that I love you and right now I just feel so empty without you here. Infinite love - BigD*

“ I am so sorry for your loss. Please know that you are never alone. You can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
